Sean suggests.....

## LIGHT

**Full Sail Brewing – Session Black 5.4% abv**

*This is an easy to drink beer with a nice roast flavor to it. A little bit of cocoa and coffee but mostly a light but tasty schwarzbier.*

## MEDIUM

**Kern River Brewing – Just Outstanding IPA 7.5% abv**

*One of the best IPA's I had in 2009. Great hoppy aroma right off the bat but then you get some bold grapefruit flavors and some floral notes at the end.*

## DARK

**Schloss Eggenberg – Samichlaus 2008 14% abv**

*This is a malt liquor in every sense of the word. Put this into a snifter and cozy up to the fire. Big alcohol presence. Has some viscosity to it. Strong and somewhat sweet malt profile.*

Every month there will be a new light, medium and dark suggestion
