

June 2010
Sean suggests.....

LIGHT

Drakes – 1500 Pale Ale 5.5% abv

Batch number 1500. Quaffable by keeping the alcohol level down with loads of Simcoe and Amarillo hops to impart a huge aroma of pine and citrus.

MEDIUM

Caldera Brewing – IPA 6.1% abv

This Ashland, Oregon outfit is a can craft pioneer and this assertive IPA made with Crystal, Galena and Centennial hops is a great bitter choice.

DARK

Sierra Nevada – Imperial Helles Lager 8.3% abv

“This Imperial Helles Lager is a testament to the ever-evolving brewer’s art. Bold yet balanced with distinct toasted malt character, moderate sweetness and clean and floral hops.”

Every month there will be a new light, medium and dark suggestion
