Sean suggests.....

LIGHT

Abita S.O.S. A Charitable Pilsner 7.0% abv

"This unfiltered Weizen Pils is made with Pilsner and Wheat malts. It is hopped and dry hopped with Sterling and German Perle hops. It has a brilliant gold color, a sweet malt flavor, and a pleasant bitterness and aroma." Drink and help the Louisiana eco-system.

MEDIUM

Ommegang Zuur 6.0% abv

A Flemish Sour Brown Ale. Sounds daunting, but it isn't. This is a great brunch beer. It isn't super tart or super alcoholic. It has a light cherry flavor. Big malt taste and lovely hazy brown color.

DARK

Coney Island Freaktoberfest 6.66% abv

The perfect beer for Halloween. Why? It pours blood red and tastes great!. You could call it a red ale but it is more on an amber in style. This is a limited release so get it before we head into holiday beer season.

Every month there will be a new light, medium and dark suggestion
