

November 2012

*Sean suggests.....*

## LIGHT

**Pilsner Urquell 4.4% abv**

*It is called the "model of meter" among beers. All other pilsners are a better or worse attempt to copy the original - the first ever Pilsner Urquell. Its unparalleled exceptionality is guaranteed by the same recipe dating from 1842.*

## MEDIUM

**Mission Street IPA 6.1% abv**

*Our award-winning beer is crafted in small batches using only the finest all-natural hops and malted barley, resulting in a classic India pale ale with remarkable flavor and freshness.*

## DARK

**Trader Joe's Vintage Ale 2012 9.0% abv**

This is a steal of a deal and a perfect gift. \$4.99 for a bomber bottle for a dark brown and hazy ale with a swirl of spices like nutmeg, ginger and cinnamon. Perfect for a rainy day and great to share with a friend.

Every month there will be a new light, medium and dark suggestion.
